Democrats, Attention.

Democrats should not neglect at-
tending their spring caucuses, which
have been called to meet soon. It is
important that these caucuses be well
attended, so that good men may be
selected as nominees for the different
offices to be filled at the election this
spring. It is no credit to the organiza-
tion to make poor nominations, and
the only way to avoid it is to have the
caucuses well attended by representa-
tive Democrats.

The McClure Factory.

We learn from the Free Press that
McClure's big factory is to start up
soon. A settlement of the Wulf
affairs has brought about the
opening of the factory. The Free
Press says:"By the terms of this agreement,
Arbuckle, Ryan & Co., of Toledo, the
largest creditor of Wulf, are to as-
sume all the liabilities, take assets,
and start up the factory. They are
to run it to its full capacity for not
less than five years."Current rumor is that they will
convert it into a chair and handle
factory, and employ a force of 35 to
40 hands."

Saved From Death.

Hundreds of people have been
saved every year, for the last quarter
of a century, from much pain and
suffering by the use of Saur & Bal-
ley's Vegetable Blood and Liver Pills.
These pills are composed of ingredi-
ents of extraordinary medicinal prop-
erties, are as perfect, pure and good
as it is possible for the science, genius
and skill of man to make for the
speedy relief and cure of the diseases
for which they are recommended.
They are quick, thorough, pleasant,
safe and permanent in curing many
ills. They equalize the circulation,
purify the blood, and purge corrupt
and acrimonious humors, and retained
deposits from the system. They act
as a cathartic and their influence is
felt and extended throughout the en-
tire system. Those who have never
had the opportunity of testing the
excellent curative properties of these
pills, can get them on a guarantee
and if they fail to do all that is
claimed for them, your money will be
cheerfully refunded.The best 5c handkerchief in the
city.
